FAQs

- 1) Can we use the pre-stamped post cards sold at the post office for only \$.29 each. **Yes**, these work best.
- 2) Can we use 3x5 cards as postcards? **NO**, the post office will not accept 3x5 cards. Minimum size is 3 ½ x 5 inches.
- 3) We have many students, and can not afford all the postage, can we still take part? **Yes**. Have your students draw a stamp on the post card. Mail the bundle of cards to me in a large envelope with a self address stamped large envelope for me to return them as a group. I will mark them individually with a fun penguin stamp and return them to your school.
